## Option for the poor and vulnerable

**BIG QUESTION:** What are the needs of those living in a poor area?

Think again about basic needs, not wants that we all have in order to lead a happy and full life. Think again about your material needs, your emotional needs and your spiritual needs. What do you think is essential in each area?

**Write them down like this:** Material needs in short supply means...

This leads to people feeling...

This contributes to people becoming...

How difficult do you think it is for people who have very little to change their circumstances for the better?

### Music Task

Research both religious music and pop music to find as many examples as you can of music which speaks of equality and fairness.
